

“Connecting European corridors – C-ITS services across borders”

28^h March 2019

Ramada Plaza Hotel, Antwerp, Belgium

The Flemish Ministry for Mobility and Public Works, ERTICO-ITS Europe and the InterCor project teams from France, the Netherlands and the UK, are proud to invite you to the “Connecting European corridors – C-ITS services across borders” conference which will conclude the fourth and final InterCor TESTFEST.

The conference will provide an overview of the C-ITS cross-border cooperation and views from the InterCor Member States and their partners, and the European Commission. The morning session also brings inspiring presentations from an industry perspective whereas the afternoon is reserved for a more detailed discussion on technical achievements.
